THE OLD STATION

COUNTRY MUSIC FESTIVAL

Old Station Country Music Festival returns to our fantastic facilities at Ackworth near Pontefract for a Third year. Put together by Nigel Green and his team who hope this will become a long established country music festival for the future. With his experience in the industry we are sure it will make this a successful annual event. We have a great field in an easy accessible location with a spacious layout and Marquee to accommodate all our guests. Pitches are numbered and individually marked out for your convenience. The sound will be controlled by one of the most accredited country music crews around, Steve Hanks Audio. A wide selection of artists will give you more than 30 hrs of music over the 4 days. Add in Two nice sized dance floors for happy dancers. A Licensed bar will be situated in the marquee but you are welcome to bring your own alcohol although we hope you will support the bar in the way they have supported us with the venue. Dogs are welcome but we request that you please clean up after mans best friend. As you'd expect First Aid and Security will operate 24 hrs a day. Trade and food stands will operate daily in market street area. Toilets and shower facilities that are maintained on a daily basis. This year we will also include a daily shoot out competition. We hope you will enjoy this event and want to return next year and long into the future.
