The Fifth Mule Train Country Music Festival to be put together by Old Station CMF Ltd is at our new venue at Drax Sports and Social Club. Our experience in the industry helping to make this a successful annual event. Always helped to be in a great field in an easy accessible location. Pitches are numbered and individually marked out for your convenience. The sound will be controlled by one of the most accredited country music crews Steve Hanks Audio. A wide selection of artists will give you more than 30 hrs of music over the 4 days. The club house has a great dance floor for happy dancers. The club has Licensed bar and a great selection of food. Dogs are welcome on the field but not in the club. We request that you please clean up after mans best friend. As expected Security will operate 24 hrs a day for the duration of the event. Traders will operate in our market street. Toilets and shower facilities are well maintained on a daily basis. We hope you will enjoy our Mule Train event and want to return next year and long into the future.
