What makes Towerfest so special. From the minute you arrive with your caravan tent or motor home every one of you is special. You are personally taken to your allocated pitch. Each of which is individually marked out giving you enough room for your caravan, awning and car. No jostling for space. Your welcome pack tells you where to find everything you need. Excellent water

pressure and two points for you to fill up. Mains toilets in the main club house and showers. Full hot and cold running water open from 8.00 am until midnight. There are also another 10 portable toilets located around the site. Mains fed elsen point for disposal purposes and even a skip for your general rubbish. Trade stand include food and coffee but the club house offers full meal services throughout the day. Our showers are situated in the recently restructured sports changing room and general washing facilities are in abundance in the club house toilets. The ground is extremely flat and well drained leaving you no problems levelling up your temporary home. Just to make you feel even safer we also provide 24hr Security and First Aid throughout the site. Disabled spots are located close to the arena so please mark on your booking form if you need one. Disabled toilet facilities are located in the entrance to the club house. Licensed bars are situated in the club and drinks can be taken any where on the field. You are more than welcome to bring your own drinks to enjoy any where apart from the club its self. Dogs are very welcome to come but must be on leads at all time and of course don't forget to bag-it wrap-it and get-rid of it. Here at Towerfest we hope you will have a fantastic weekend of entertainment and return once again.
